

#1/BTR GRN DF Premium Exposed®

Photographer: Loren Nelson Design & Timber Frame: New Energy Works

These #1/BTR green Douglas-fir Premium Exposed® timbers are ideal for open-beamed or exposed construction where appearance matters. All four sides have a uniform band-sawn finish and the timbers are 100% free of wane and heart center. To protect this beautiful product, our Premium Exposed® line is always anti-stain treated and paper wrapped.
