

# 7/8" KDDF APG S1S2E

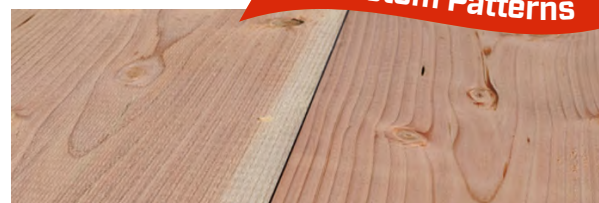

Our 7/8" appearance-grade boards are initially sawn and kiln-dried in a 1" form, providing a stable product that is an ideal alternative to cedar and delivers an attractive knotty appearance while offering exceptional savings. All boards are finished to a net 7/8" with a consistent tight-knot, rougher-head appearance face. This product is manufactured to Elk Creek Forest Products' high-quality standards and yards extremely well.
