

Extensive Stock Inventory

Elk Creek Forest Products is a family-owned and operated lumber processor and distribution company stocked with over 25 million board feet of premium high-end lumber and timbers suitable for exposed uses as well as commodity lumber sourced from the Northwest's finest sawmills. We are headquartered in McMinnville, Oregon – between the Cascade and Coast ranges.

We offer full truck loads, yard packs, job-specific tallies and single timbers. Additional access to custom milling and treating operations enables us to also fill custom orders – always efficiently and accurately.

Shop from our large inventory of a variety of dimensions including 2x4 through 12x12 with available lengths from 8' to 40' and longer or contact us for help locating unique, hard-to-source items.

We offer a wide range of grades, heart specification, texture, seasoning and services:
